Formations

2020 Diplomas of Industrial Design
Design school of Université de Québec à Montréal
DESS Transport Design equipment

2019 French Bachelor of Mechanical Engineering & Ergonomics
University of Technology Belfort-Montbéliard
Ergonomics, Design et Mechanical Engineering department
Industrial Design & Conception speciality

Award

2020 2019 BRP international design competition
3rd prize winner

Experiences

2023 Transportation Designer (DESLOGESdesign.)
Freelance | Marcé France
Support for design processes on various objects and means of transport
Graphism / Infographism

2021 Engineer & Surface modeler (DELAGE Automobiles)
MS-Innov consultant | Nevers France
Adaptation of the design for the 1st prototype of the Delage D12
Design of Delage D12 bodywork parts
Cockpit upholstery design
Design of carbon / composites parts

2020 Automotive Designer (DEUTSCHMAN Design)
Internship | Montreal Canada
Re-design of a custom roadster (style & ergonomics) on a limited budget
Retro engineering
Highlighting the product in video

2019 Designer & Mechanical engineer (BENBAGENG SLu)
Internship | Magny-Cours France
Design of an electric supercar
Delage D12 front suspension design

2017 Mechanical engineer assistant (Ligier Automotive)
Internship | Magny-Cours France
Design of sports prototype vehicles for competition
JSP4 Dashboard conception
JSP4/JSP3 AC option implementation

Languages

French - Mother tongue
English - Lev. C1 - Fluent
Spanish - Lev. A1 - Basics

Skills

CATIA · Rhinoceros · Blender · Photoshop · Illustrator · In Design

Design

Defining needs
Existing analyse
Activity study
Ideation
Solutions checking
Concept communication

Technique

Sketching 2D
CAD/Poly Modeling
Realistic renders
Prototyping

Interests

Road bike
Infographie
Computer generated images
Drawing
